

## Local SAT/PSAT Preparation Programs

### SAT Prep Academy

---

The Academy consists of ten (10) classes over the course of five (5) weeks. Each week students are expected to complete an entire SAT test and learn approximately 150 vocabulary words. The Academy will be held on Wednesdays and Thursdays for five (5) weeks beginning at the end of June and continuing through. Cost is \$700 (includes 30 hours of instruction, all materials and bonus classes). Classes take place at St. Joe's Prep and are instructed by Prep teachers.

### Motivational Educational Training Company, Inc. (METC)

---

METC offers various programs ranging from a 6 hour, \$290 program to a 30 hour, \$765 program. Courses are offered at St. Joe's Prep after school and through METC's main office. View all programs at [www.METC.com](http://www.METC.com).

### Princeton Review ([www.princetonreview.com](http://www.princetonreview.com))

---

Princeton Review offers a variety of programs to perspective students. PR is pricey, but nationally recognized. They offer both individual and group training.

#### Individual

- 9 sessions cost \$2700.00 one subject (Premier Tutoring)
- 9 sessions cost \$1800.00 (Master Tutoring)
- 9 sessions cost \$1000.00 (Standard Tutoring)
  - \* [www.princetonreview.com](http://www.princetonreview.com) offers explanations of each type of tutor. They basically relate to experience and success.

#### Classroom Courses

- Cost anywhere from \$1000.00 to \$1200.00. They generally take place on Saturday mornings at various Princeton Review Centers.

#### Online Courses

- Various online courses and prices are available to students wanting to work from their computer.

## A+ Learning ([www.aplustutoring.com](http://www.aplustutoring.com))

---

Located in Jenkintown and Gwynned . They are available to students in most locations. They do not publish fees but have been used by some of our students with success. All sessions are individual and take place in student's home or common area such as a library. More information can be found at [www.aplustutoring.com](http://www.aplustutoring.com).

- A+ Learning Centers donate one free full individual SAT prep program to one of our students. We do not recommend one individual program but greatly appreciate their generosity.

## PowerScore ([www.powerscore.com](http://www.powerscore.com))

---

PowerScore's Full Length SAT course involves the following:

- There are a total of 14 meetings in the PowerScore SAT Course: 7 lessons, 4 full-length proctored practice SATs, and 3 practice SAT test reviews. That adds up to 30 hours of in-class lecture time, plus 16 hours for the practice tests, to equal a course that is 46 hours long. Class costs \$745.00. 200 point increase guaranteed.

### PowerScore's Weekend Course

- 12 hours in total, Students in the weekend course learn secrets, strategies, and techniques to help them take the SAT. Simple but effective techniques are geared to increase scores immediately. Class costs \$350.00. 100 point increase guaranteed.

### PowerScore Individual Tutoring

- In-home individual tutoring is available for \$100.00 per hour. Additional hours per session cost \$80.00.
