Financial assistance may be awarded to the student in the form of a "work grant." He will be asked to work in a clerical capacity at a time that is convenient for him. There will be a minimum work requirement of one marking period. He may choose the 1st, 2nd, 3rd, or 4th marking period and the time of day, before or after school. A marking period is eight weeks in length; work lasts 1/2 hour per day, five days per week.

A Brothers' Reduction is possible for second and third siblings attending concurrently. However, the reduction is not automatic. The financial aid process via TADS must be completed in order to apply for a Brothers' Reduction. The Financial Aid Committee will determine if a Brothers' Reduction will be awarded.

Financial Aid packages are allocated on a one year basis only. If financial aid is needed for the remaining years, updated applications must be submitted each winter via TADS and financial aid will be allocated each spring.
