

STATEMENT OF INTENTION

Ignatian Service Office

Name: _____ Section: _____

This form is meant to assist you and the Service Director in the planning of your service hours. Your proposed or intended project must first be approved by the Service Director. Prep-sponsored programs are routinely approved, but *non-school sponsored programs must be individually approved by the Service Director.*

Please indicate in the space below the service project or program in which you hope to participate to fulfill your required service hours. You are reminded that *juniors must complete at least 20 hours of service. Seniors are required to perform at least 40 hours of service.*

If you have already completed your hours in the summer in an approved Prep-sponsored service trip or in a program approved by the Service Director, please identify the project or program in the space below. Verification of your participation in these programs will be made in the next several weeks. Please see the Service Director about completing your written requirement if you have not handed that in yet.

If you need help or information about potential service projects or programs, please make an appointment with the Service Director as soon as possible. A variety of opportunities exist for you to complete your service hours.

If after submitting this form you decide to change your intended service project, please notify the Service Director of this change **BEFORE** beginning that new service work. Any unapproved projects run the risk of not counting for the fulfillment of your service hours.

I intend to fulfill my service hours for the 2008-2009 academic school year by participating in the following project or program:

Student Signature _____

Parent/Guardian Signature _____
